How to reverse the direction of a track

This how to assumes that you have already opened a gpx or kml file in GPX Viewer. If you haven't opened it yet here is How to open gpx or kml file.

You also need to have **Online Services** subscription.

Below are step-by-step instructions on how to upload track to Trackbook.

1. Open **left main menu** in GPX Viewer.
2. Tap on **Online Services** button.
3. Tap on **Subscribe** button and then again tap on **Subscribe button**.
4. After completing subscription go back to map screen.
5. Tap on **Track/route info** button.
6. In the list of tracks and routes tap on the track you want to upload to Trackbook.
7. Tap on **upload button** in bottom right corner.

Below is a video showing the instructions above:
