Custom online map manager

How to get to Custom online map manager settings: Open Left Main Menu → Settings → Maps → Custom online map manager.

You can find the manual on how to add custom online maps here: How to add custom online map

After opening the custom online map manager, users can see a list of their downloaded online map, an icon that allows users to add a new online map in the left bottom corner, and three dots next to the caption that opens the actions for the online map manager:

- **Add new online map** - opens a dialogue to add a new online map from url. A manual on how to do it can be found here: How to add custom online map.
- **Delete all online maps** - deletes all downloaded online maps.

Options for an edit of each online map are:

- **Add new online map** - opens a dialogue to add a new online map from url.
- **Edit** - editing options for the current online map.
- **Use this online map** - applying this online map.
- **Delete** - deleting this online map.
