2025/08/06 09:44 1/1 Waypoint Icons

Waypoint Icons

How to get to waypoint icons menu: Open Left Main Menu \rightarrow Settings \rightarrow Waypoint \rightarrow Icons. Description of waypoint icons settings items (displayed after clicking on three dots in top right corner):

- Add new setting adding a new waypoint icon with name.
- Add from directory adding a new waypoint icon from png or jpeg images.
- Reset to default settings resets waypoint icons to default settings and deletes changes.
- **Delete all settings** deletes all icons even the predefined ones.

Besides these settings, one can change already existing icons by:

- Changing symbols name.
- Choosing different icon from file system or library.
- Reset to default icon.
- **Delete setting** deletes this icon.
